NOW THEREFORE, in consideration of the promises, conditions, covenants and warranties herein, the parties agree as follows. With regard to the Work:

1. 3. You warrant and represent that:

   (b) no part of the Work infringes upon any copyright or other intellectual property right of any third party;
   (c) the Work contains nothing libelous, injurious or untrue;
   (d) you have, as necessary, obtained appropriate permission to re-print any portion of the Work which you are not the author.

4. You shall indemnify and hold harmless ASA and its parent, agents, board members, employees, affiliates, successors, assignees and licensees from and against any claim, damage, liability, expense or loss, including reasonable attorneys' fees and costs associated therewith, or with the enforcement of this indemnity, arising from any claim for copyright infringement

asserted against ASA by any person or entity arising as a result of ASA's use of your Work, or arising from your actual or alleged breach of any of your representations and warranties in this Agreement.

5. ASA is not obligated to use or publish the Work in whole or in part and that ASA may in its sole discretion edit the Work for use or publication. In consideration of the rights granted to it pursuant to this Agreement, ASA agrees to fully acknowledge you as the author of the Work.
