

**Swimming with Sharks:
How Anesthesiologist Inventors
Can Move Their Ideas Forward**

Presentation Proposal Submission Form

ANESTHESIOLOGY® 2017

**Tuesday, October 24, 2017, 9:45-11:45 a.m.
Boston Convention and Exhibition Center
Boston, Massachusetts**

Description: ANESTHESIOLOGY has a long history of innovation, entrepreneurship and close interactions between academicians, private practitioners and industry to bring new concepts to the clinical arena and better care for our patients. Using a panel format, inventors will present their ideas to industry experts who are involved in the development of such innovations. This session will educate the audience regarding the multiple steps involved in the process and provide resources for those who hope to advance their practice through innovation.

If you are interested in applying to be one of three inventors to stand in the spotlight and present your innovative idea to a panel of successful inventors and investors, please complete this form and submit it to FAER@faer.org by the **July 1, 2017** deadline.

Presenter's Name: _____

Presenter's Professional Title: _____

Institution/Organization: _____

Email Address: _____

Phone Number: _____

Provide a brief description of your invention, including the stage of development.

Note:

IP for your invention should be in hand.

All types of inventions (devices, drugs, systems, etc.) will be considered.

The invention should be beyond the idea stage. For example, the presenter should have data to defend a patent or prototype available.
