

## ASA® Fellow Designation Criteria Checklist

Becoming a Fellow of the American Society of Anesthesiologists® (FASA™) is a prestigious honor in the specialty as it indicates a superior level of service, leadership, advocacy and education that distinguish Fellows from their peers. The criteria required for earning the FASA designation demonstrates a candidate’s commitment to advancing the practice and securing the future of anesthesiology.

The criteria required for all candidates include the following elements:	
✓	ASA Active member for immediate past 5 years
✓	ASA state component Active member for immediate past 5 years
✓	Unrestricted medical license(s)
✓	Board certified by the American Board of Anesthesiology or American Osteopathic Board of Anesthesiology
✓	Two letters of endorsement from an ASA Active members
✓	CV and optional bibliography

The additional criteria enable the candidate to demonstrate their dedication in three areas—professionalism and leadership, advocacy, and education and scholarly activities. **Candidates must meet six total requirements, with at least one from each of the categories. Selected requirements must have occurred within the past five years.**

Professionalism and Leadership	
	Leadership or participation in ASA, ASA components, ASA committees or other ASA entity
