

Anesthesiology Research Grant Funding

UPCOMING FUNDING OPPORTUNITIES

The Foundation for Anesthesia Education and Research provides research grant funding for anesthesiologists and anesthesiology trainees to gain additional experience in basic science, clinical and translational, health services and education research. FAER will host two grant funding cycles in 2017. Deadlines for submission are February 15 & August 15, 2017. Eligibility requirements and application instructions are found at FAER.org/research-grants.

	MENTORED RESEARCH TRAINING GRANT	RESEARCH FELLOWSHIP GRANT	RESEARCH IN EDUCATION GRANT	TRANSITION TO INDEPENDENCE GRANT	GEMSSTAR GRANT
RESEARCH AREAS	Basic Science (MRTG-BS) Clinical and Translational (MRTG-CT) Health Services Research (MRTG-HSR)	Basic science, clinical, translational, health services or education research	Education research	Basic science, clinical, translational or health services research	All research topics related to aging and funded by the National Institute of Aging
PURPOSE	To help anesthesiologists develop the skills and preliminary data to become independent investigators	To provide significant training in research techniques and scientific methods	To improve the quality and effectiveness of anesthesiology education research	To support the transition of investigators from mentored training-focused support to independent (non-mentored) research support	To supplement these 2 year scientific awards with support for simultaneous career development activities
FOR WHOM	Faculty members who have completed anesthesiology residency within the past 10 years	Anesthesiology trainee after CA-1 year	Faculty member of any rank (junior or senior faculty)	Previous MRTG recipient who completed work on FAER grant within the past two years, and has applied for but not received NIH R-level funding or equivalent	New Investigators with R03 GEMSSTAR awards from the National Institute of Aging
FUNDING AMOUNT	\$175,000	\$75,000	\$100,000	\$75,000	\$50,000
DURATION	Two years	One year	Two years	One year	Two Years
PERCENT RESEARCH TIME	75%	80%	40%	75%	75%
APPLICATION DEADLINES	February 15 and August 15	February 15 and August 15	February 15 and August 15	Applications accepted on a rolling basis	Accepted on a rolling basis – contact FAER for details
