FROM FAER TO FEDERALLY FUNDED

Join FAER in celebrating some past grant recipients on receiving NIH R awards!
In the past 10 years, 133 of FAER's past grantees have received NIH funding.

Miles Berger, MD, PhD
Duke University
R01

Mitra Heshmati, MD, PhD
University of Washington
R35

Soban Umar, MD, PhD
UCLA
R01

Paul M. Riegelhaupt, MD, PhD
Weill Cornell Medicine
R01

Elizabeth L. Whitlock, MD, MSc
University of California,
San Francisco
R01

With more than \$53 million awarded since 1986, FAER's grants and programs support anesthesiology investigators in their pursuit of research and prepare them for federal funding.
