

	Other	Friday, 1 June 08:00 - 08:15	Welcome and Introductions	Auditorium 12
--	-------	---------------------------------	----------------------------------	------------------

Welcome and Introduction

Johannes Wacker, Chair, ESA Patient Safety and Quality Committee (Zürich, Switzerland)

Jim Grant, President, American Society of Anesthesiologists (Michigan, United States)

	L1 Keynote lecture	Friday, 1 June 08:15 - 09:00	Safer healthcare: strategies for the real world	Auditorium 12
--	-----------------------	---------------------------------	--	------------------

Chair:

Johannes Wacker (Zürich, Switzerland)

Speaker:

Charles Vincent (Oxford, United Kingdom)

	P1 Panel	Friday, 1 June 09:00 - 10:00	How to Maximise Learning from Errors and Adverse Events	Auditorium 12
--	-------------	---------------------------------	--	------------------

Chair:

Adrian Gelb (San Francisco, United States)

Diagnostic Error and Decision Making – or: The Downside of Having a Brain

Sven E. A. Staender (Mannedorf, Switzerland)

Patient Safety Learning through Incident Analysis

Daniel Arnal* (Alcorcon, Spain)

	Break	Friday, 1 June 10:00 - 10:30	Coffee Break	Auditorium Foyer
--	-------	---------------------------------	---------------------	---------------------

	B1A Breakout Session	Friday, 1 June 10:30 - 12:00	Learning from Success - the Principles and Practice of "Safety II"	Auditorium 12
--	-------------------------	---------------------------------	---	------------------

Chair:

Doris Østergaard (Herlev, Denmark)

Resilience and "Safety-II" – how to Translate Innovative Concepts into Clinical Action

Sven E. A. Staender (Mannedorf, Switzerland)

The Benefits of Learning from Success for Clinical and Simulation-based Training

Peter Dieckmann (Herlev, Denmark)

B1B	Workshop	Friday, 1 June 10:30 - 12:00	Interactive Workshop: The Basic Tools of Patient Safety Practice	Room 6
<p>Chair: Daniel Arnal (Alcorcon, Spain)</p> <hr/> <p>A Primer on Errors, their Root-causes, and the Basic Practices for Systematic Safety Improvement Marcus Rall* (Reutlingen, Germany)</p>				
B1C	Breakout Session	Friday, 1 June 10:30 - 12:00	Strategies to Meet Global Quality Challenges in Anaesthesia & Perioperative Care	Room 7
<p>Chair: Keith Ruskin (Chicago, United States)</p> <hr/> <p>WFSA International Standards for Safe Anaesthesia Practice – what are the Core Messages? Adrian Gelb (San Francisco, United States)</p> <hr/> <p>WFSA Work Force Survey – the Professional Manpower needed to Provide Safe Anaesthesia Care Jannicke Mellin-Olsen (Haslum, Norway)</p> <hr/> <p>Different Provider Collaboration Models in Anaesthesia - Chances & Challenges for Quality of Care Beverly Philip (Boston, United States)</p>				
Break	Friday, 1 June 12:00 - 13:00		Lunch	Auditorium Foyer
P2	Panel	Friday, 1 June 13:00 - 14:00	Secrets of Implementing Quality Projects Successfully	Auditorium 12
<p>Chair: Jannicke Mellin-Olsen (Haslum, Norway)</p> <hr/> <p>How to Create a Safety and Quality Culture in an Anaesthesia Department Sigurd Fasting (Trondheim, Norway)</p> <hr/> <p>How to Implement and Sustain Medication Safety Strategies in your Department Mark A. Warner (Rochester, United States)</p>				
Break	Friday, 1 June 14:00 - 14:15		Break	

B2A Breakout Session	Friday, 1 June 14:15 - 15:45	How can Professional Societies Contribute to Local Practice Improvement?	Auditorium 12
-------------------------	---------------------------------	---	------------------

Chair:

Adrian Gelb (San Francisco, United States)

How can we best Support our Patient's Brain Health in Anaesthesia and Perioperative Practice?

Audree Bendo (Brooklyn, United States)

The Helsinki Declaration on Patient Safety in Anaesthesiology (HD) – Vision and Principles

Jannicke Mellin-Olsen (Haslum, Norway)

How to Implement the Requirements of the HD – Challenges and Practice Solutions

Johannes Wacker (Zürich, Switzerland)

B2B Breakout Session	Friday, 1 June 14:15 - 15:45	How to Implement, Monitor and Maintain Checklist Use in your Department	Room 6
-------------------------	---------------------------------	--	--------

Chair:

Mark A. Warner (Rochester, United States)

How does the Surgical Safety Checklist actually work? Implications for Clinical Practice

Cornelis Kalkman (Utrecht, Netherlands)

Checklist Adherence – the Real World Usage of a Well-intentioned Tool

Christopher Neuhaus (Heidelberg, Germany)

Practice Strategies for the Sustained Implementation of Clinical Checklists

Anna Clebone (Chicago, United States)

B2C Breakout Session	Friday, 1 June 14:15 - 15:45	The Principles and Practice of Simulation-based safety training	Room 7
-------------------------	---------------------------------	--	--------

Chair:

Daniel Arnal (Alcorcon, Spain)

Using simulation for training and maintaining safe use of perioperative equipment

Jan Hendrickx* (Aalst, Belgium)

Can simulation-based safety training improve patient outcomes?

Richard D. Urman (Boston, USA)

How to use in-situ and low-cost simulation-to improve perioperative patient safety

Doris Østergaard (Herlev, Denmark)

Break	Friday, 1 June 15:45 - 16:15	Coffee Break	Auditorium Foyer
-------	---------------------------------	---------------------	---------------------

 P3 Panel	Friday, 1 June 16:15 - 17:15	Fatigue: Personal Virtue or Patient Hazard?	Auditorium 12
--	---------------------------------	--	------------------

Chair:

Sven E. A. Staender (Mannedorf, Switzerland)

Fatigue during extended working hours – lessons from the aviation industry

Céline Mühlethaler (Zürich, Switzerland)

How to Create a Fatigue Risk Management Program

Keith Ruskin (Chicago, United States)

 Other	Friday, 1 June 17:15 - 17:30	Closing Remarks	Auditorium 12
--	---------------------------------	------------------------	------------------

Closing remarks

Johannes Wacker (Zürich, Switzerland)

Adrian Gelb (San Francisco, United States)

Zeev Goldik (Haifa, Israel)
